Re: NACH Annual Agency Membership Fees  
Date: May 29, 2012

Dear NACH Agency Members:

Thank you for all that your organization does for the homeless population in our city. Because of agencies such as yours, our coalition continues to grow and develop well beyond what was envisioned only a few years ago.

Due to rising operational costs and existing contract budget cuts, NACH Agency Membership Fees will increase effective January 1, 2013. Agency Annual Membership Fees will be based on a sliding scale. The use of a sliding scale membership Fee Structure has already been implemented by several Continuums throughout the state of Alabama and is reported to be as much as 5% of the total grant award in some states.

The fee for all NACH Member Agencies that receive funding which requires Continuum of Care Participation, such as but not limited to, grants issued by the Department of Housing and Urban Development and Emergency Solutions Grants, will be 1.5% of the total grant award.

The fee for all other membership agencies will be \$100.00 annually. NACH will continue to offer a membership fee waiver for the first year to all new agencies that join the Continuum of Care, that do not currently receive funds and that require Continuum of Care Participation. Fees for individual members will be \$30.00 annually.

If you have any questions or would like to discuss this further please feel free to contact Lineise Arnold at 256-551-1610 Ext 223. Once again, thank you for all that you do for the homeless population in North Alabama and for your continued support of NACH.

Sincerely,

Olly Orton  
President  
NACH, Board of Directors.
